WE WANT YOU!
To make a decision.

Will you be at the World Masters game in Sydney in October 2009?

To ensure everyone gets into a team, are able to book air travel and secure accommodation, we need to confirm players.

Please register by April 20 your intention to play basketball at the World Masters in Sydney.

We have had to bring the deadline forward from July 31 to enable teams to be finalised and people to make their plans. Once we get your confirmation, we will be able to ascertain if we have enough players to field a team in your age-group. If insufficient numbers in a certain age-group, you will have the option of playing down or putting your name on the website as looking for a team. Remember players, referees and officials bench personal are included. For non-competitors, the fee to register with the World Masters Games is \$AU110. If you have a partner or friend who would like to come along, please check the website for other sports fees. www.2009worldmasters.com Any queries contact Hilary Carr or Judith Lunn by email.
